GENERAL INFORMATION

With a view to avoid spread of Novel Corona Virus in the State of Sikkim and for safety of both travellers as well as local residents, the State Government has decided to suspend the issuance of Inner Line Permit to all foreign nationals including nationals from Bhutan for the time being .

Further, the Nathula permit to domestic tourist has also been stopped till the time normalcy in Corona Virus situation is restored. This decision is a precautionary measure in keeping with the outbreak and spread of Corona Virus worldwide. However, it is to inform all the concerned that no single positive case of Corona Virus has been reported till date in the State.

In view of the above, it is to bring to notice that Sikkim is safe to travel but all domestic tourists are to submit "Self Reporting Form" which are available in all the Tourist Information Centres/Hotels/Homestays or other tourist establishments.

Safety measures are however, to be adopted on personal level.
